

Guardian Angel

PROGRAM

HONORING THOSE WHO MAKE A DIFFERENCE

Healing the Whole Person

Offering a hand to hold... giving a reassuring smile... going the extra mile... sharing encouragement... changing a life... saving a life. From simple kindness gestures to extraordinary accomplishments, we hope that during your visit to St. Joe's you encountered someone who made a difference. If so, please take a moment to share your gift of appreciation.

A Gift of Thanks

Your gift of recognition in honor of a Penn State Health St. Joseph physician, nurse, or any staff member or team who made a difference for you will in return make a difference for others. Your words of thanks and action of gratitude will be shared in the recognition of your caregiver with a Guardian Angel pin that will be worn to commemorate their dedication to service.

Helping Us Help Others

Your gift helps us meet our greatest need to purchase state-of-the-art medical equipment and technology to provide innovative life-changing and -saving solutions to our patients. Your tax-deductible contribution to St. Joseph Medical Center Foundation supports the work of Penn State Health St. Joseph, a not-for-profit, faith-based healthcare provider.

Gift of Gratitude

All gifts make a difference in changing and saving lives. There is no gift too small or too large, every dollar counts in helping others.
