BREIDEGAM FAMILY BIRTHING CENTER

Honoring the Gift of Life

One of the greatest moments in life is the birth of a child. A baby breathes new life into a family and a community. It is a magical time – and a blessed time.

You can honor this wonderful gift of life by adding your “little angels” footprint to our *Celebrating Life’s First Steps* wall in St. Joseph’s Breidegam Family

Birthing Center. For a gift of \$250, your baby’s footprint, name and birth date will be displayed on a commemorative tile within the Birthing Center.

You will also receive a commemorative tile of your baby’s footprint as a keepsake for your family. Friends and family

can order additional keepsake tiles for \$35 each – a perfect gift for the grandparents!

You and your family may inquire about the *Celebrating Life’s First Steps* program with your nurse while you’re a patient in the Birthing Center. The footprint image for your baby’s tile will be duplicated from the commemorative birth certificate you receive in the Birthing Center.

You can also honor a previous birth on our *Celebrating Life’s First Steps* wall. If you had a baby in the past at St. Joe’s, you may honor your child with a tile.

Helping Us Help Others

Your support of this program helps us purchase additional medical technology and expand state-of-the-art services at St. Joseph Medical Center, furthering our mission of creating a healthier Berks County – for you and your neighbors, as well as for the “newest” members of our community!

These “footprint” tiles will leave a lasting impression on all who pass through our Birthing Center. These footprints represent our future – the future physicians, nurses, teachers, moms and dads of our community. And they will be an inspiration to all moms and dads who are about to bring new life into the world at St. Joe’s.

Your gift to purchase a wall tile in the Birthing Center will also be recognized in our Annual Report. Your name and your baby’s name will appear in the *Celebrating Life’s First Steps* listing of the Report.

To purchase your tile, please complete the attached order form and return it to:

**SJMC Foundation
P.O. Box 316
Reading, PA 19603-0316**

To request more information, please contact the St. Joseph Medical Center Foundation office at 610-378-2477.
