Our goal for our 2019 Signature Events is to raise more than $150,000 in net proceeds to support the acquisition of new medical equipment, technology, and services to benefit the health and wellness of our patients and their families. Our healthcare professionals, support staff, volunteers and donors are building on a long tradition of compassionate care and clinical excellence.

**How You Can Help**

We invite you to join us by becoming a sponsor of our Signature Events! As a Signature Events sponsor, you are partnering with St. Joe’s in creating a healthier community. Providing compassionate, patient-centered care is at the heart of what we do at St. Joe’s every day.

Please join us in making Berks County a healthier place to live, work and play!
